College Representative Visits

NAVIANCE

CAC is proud to utilize the online college and career readiness program Naviance. All CAC students create a Naviance account during the second semester of 8th grade year with assistance from Jan Penrod, Secondary Guidance Counselor. They are encouraged to apply for scholarships, enter contests, keep track of college representative visits, apply for universities and build their resumes through the account.

To learn more, visit www.naviance.com or contact Jan Penrod at jpenrod@cacmustangs.org.
