

How Do I Teach Online?

There are plenty of resources available to complete high-quality academic work online. Feel free to ask other teachers what they plan to do!

Some options:

- Scan & upload textbook pages/documents/worksheets for students to read & complete
- Provide links to articles, videos & other resources for students to read/annotate
- Utilize Google classroom
- Upload video lectures of oneself
- Utilize Google Forms to conduct assessments
- Create a Screencast ([Click Here](#))
- Utilize Google Hangouts Meet to teach live with students online ([Click Here](#))
- Ask students to complete tasks on paper, take a picture & upload
